

# LIVING ABOARD DO'S & DON'TS

---

As living on a boat is a little different to land we have a few "rules" to ensure that everything works as it should for everyone's comfort and happiness.

## WATER

- Water on board is limited so please be very conservative with its use. Please check the tap is not dripping once you have finished with it.

## POWER

- Power is also limited on board so please ensure lights and switches are turned off when not in use. In general, please check with us before turning anything on on the main switchboard at the Nav station.

## TOILET

- IF YOU HAVEN'T EATEN IT OR DRUNK IT, IT DOESN'T GO DOWN THE TOILET. Please place all paper in the bin next to the toilet. We will ensure the bin is regularly emptied.

## TIDINESS

- As we are living in closer quarters than at home we ask that everyone does their bit to keep Pilgrim tidy, in particular putting personal items away when you're not using them.

**KEY RULE is if something doesn't look right please LET US KNOW!  
If we don't know we can't check it or fix it.**
